Parent/Student sports Information

Information is constantly updated, so note the date on this information to see if it has changed since the last time you read it.

Ripon high school is participating in the VOL from February 3 2021 until June 12, 2021, then returns to the TVL for athletics next school year.

VOL - Two Seasons of Sport

Season 1: February 3 - April 2, 2021

Sports offered: Cross Country, Swimming, Girls Golf, Boys Tennis

If you are planning to participate in these sports one must meet these requirements.

1. Complete your Athletic Clearance online.
 - a. Go to the Riponhigh.net website and select Athletics for all the information about athletic clearance.
 - b. Parent/Student signature page must be signed and returned to Mr. Wright, if you have not already been cleared.

Since these sports are limited spectator sports, parents when you come please wear a mask and be socially distanced while watching.

2. Cross Country home matches may be run at Stouffer Park in Ripon
3. Swimming's home matches will be held at Ripon High School
4. Girls Golf home matches - ask your athlete.
5. Boys Tennis home matches - Practice at RHS but play matches at Community Courts by the Community Center off 4th street.

Season 2: March 22 - June 4, 2021

Sports offered:

Purple Sports: Girls Tennis, Boys Golf Track and Field

Red Sports: Baseball and Softball

Orange Sports: Volleyball, Football, Water Polo, Soccer

Yellow Sports: Basketball, Wrestling, Competitive Cheer

1. Girls Tennis home matches - Practice at RHS but play matches at Community Courts by the Community Center off 4th street.
2. Boys Golf home matches - Ask your athlete
3. Track and Field - at RHS, but you will need to enter the Field from the Maple Road gate due to the construction on the east side of the stadium.
4. Baseball - Practice at RHS but game location is still to be determined due to construction at Ripon High.
5. Softball home games will be played at RHS and the Community Center on 4th street. Varsity is at Ripon High and JV will be at the Community Center on 4th Street.

Orange and Yellow Sports schedules are still to be determined.

Football: It is an Orange colored sport, but football is different from the other sports because its season must start by March 8 and finish by April 16th. Coaches generally agree that 5 games are needed to be played in order to have a season.

Since Football is an Orange Tiered sport, at this time I do not see San Joaquin county getting to the Orange tier by March 8, 2021.

Baseballs and Softball are Red tiered sports and we will make adjustments to their schedule if they cannot start on March 15, 2021 with pitchers and catcher and March 22 with all other members of the team.

Please remember sports can only start practice once the colored tier matches the sport being played.

Thanks
