

RIPON HIGH SCHOOL

11th Grade Course Ballot Instructions

Directions to Students/Parents:

Please complete your ballot carefully by reviewing your transcript for graduation courses still required. College bound students directly from RHS need to review college entrance requirements at www.collegeboard.com or see your school counselor before making final requests. Teacher approval is recommended for advancement to specific courses. The Course Catalog will help guide you through the course descriptions, graduation requirements, and college entrance requirements, and course prerequisites. You can also find this information on the RHS website at www.riponhigh.net. Please keep in mind the following abbreviations used in the course request: CP-College Prep, G-UC College Prep Category, LS-Life Science, PS-Physical Science

SECTION I: GRADE LEVEL REQUIRED COURSES

SECTION III: SCIENCE

You are required to select a science since RHS has a three year science graduation requirement.

Please keep in mind that the LS stands for Life Science and PS represents physical science. Students need one course in each area to graduate from RHS. The 3rd year science can either be a physical or life science. Teacher signatures are required for some courses.

SECTION IV: ELECTIVES

Rank you top four selections with number one being the top request. This is done just in case your top choices are already filled. If you are requesting a class that requires a signature then seek the appropriate instructor. Students requesting a Teacher's Assistant or Office assistant must receive the TA form from the specific teacher and staple to your course ballot.

SECTION V: SPECIAL SERVICES

Please select the appropriate courses based on educational needs. This includes students that require English Language Development or have an IEP.
